Transitional Home

Hope Fest 2019 welcomed home Jud Wilhite. An Amarillo native, and now a senior pastor for Central Church in Las Vegas, Jud had the crowd laughing and reminiscing about mixed tapes. He talked about each of us having our own mix tape of who we are. Sometimes, the past can create a pretty bad mixed tape because of addiction, trauma, and even things that were said to us that we began to believe about ourselves. He proceeded to tell everyone that God is making a new mixed tape. It is just as 2 Corinthians 5:17 says, "This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!" Our graduates and residents of Patsy's Place showed proof of this amazing transformation by sharing a "before" and "after" picture along with sharing their testimony of what God and Patsy's Place Transitional Home has done in their lives. It was an incredible night full of inspiration.

Misty, one of our most recent graduates

Patsy's Place

Transitional Home

It had been over a year since we had a graduation for Patsy's Place Transitional Home. Since March of this year, we have had 4 women graduate from the program! We now have 27 graduates of the one-year program and have more in-line to graduate this year!

7th St. Garden of Hope

This year for the United Way Day of Caring we had employees from Wells Fargo Bank come and help get the beds ready in the garden. Thank you United Way and Wells Fargo for your help!

Special Thanks to Washington Avenue Christian Church

Washington Avenue Christian Church raised \$23,000 for Sharing Hope Ministry as part of their Near and Far End of Year Missions Campaign!

Thank You Volunteers for Making the Most of Every Opportunity!

Did you know that our volunteers put in over **8,000** volunteer hours throughout our different programs in 2018?

Our volunteers truly are the life blood of this ministry. They helped to provide over **16,000** services to women last year. This includes the Bibles, Bible studies, prayer cards, services provided for the women at Patsy's Place and more!

We Believe In

Second Chances Here!

In celebration of Second Chance Month, The Center for Advancement offered two classes to our community. Second Chances featured guest speaker, Margaret Willis. She shared about recovery resources and her own testimony from addiction, incarceration, and catching the life line of second chances. Our second event, Hope for Parents in Pain, was available to any hurting parents in the community that are dealing with an adult child struggling with addiction. Both classes were meant to give hope to attendees that both God and our community are willing to give second chances!
